

CONTRUST

METHODS LAB

Friday, November 10
10.00-16.00 hrs.

Building „Normative Orders“
Goethe University
Campus Westend
EG 01/02

Event description

- ▶ The Methods Lab is a workshop dedicated to the critical discussion of methodological approaches to trust research. By means of the inputs of two external invited scholars, the participants will discuss the applications, strengths and limitations of both qualitative and quantitative methods.
- ▶ To workshop aims at ConTrust and affiliated scholars, as well as other researchers engaged in trust research in a broad sense. **Please register for participation via schreiber@prif.org until November 5, 2023.** Along with your registration, please submit a brief description (max. half a page) of the methodological approach to trust you apply in your research in order to facilitate exchange among participants.
